

CREATION HONOR

1. Read Genesis Chapters 1 & 2 from your Bible.
2. Recite from memory what was made each day of creation week.
3. List the four rivers that flowed from the Garden of Eden.
4. List the ages of five people who lived before the flood & list the oldest living man.
5. List five changes from the original creation as a result of sin.
6. By whose hand was the first life taken?
7. Research fossil records & relate size differences of plants or animals & compare them to today.
8. Give an example, from the Bible, of the size of ancient people.
9. Read Chapter 2 "The Creation" in the book Patriarchs & Prophets by Ellen G. White. Write or give an oral summary of what you have learned from studying this honor.
10. Visit one of the following: Zoo, Aquarium, State Park, Nursery or Gardens, and give your club director a report of the diversity & wonder of the things you saw of God's creation.

4. List the ages of five people who lived before the flood & list the oldest living man.

5. List five changes from the original creation as a result of sin.

6. By whose hand was the first life taken?

7. Research fossil records & relate size differences of plants or animals & compare them to today.

8. Give an example, from the Bible, of the size of ancient people.

9. Read Chapter 2 "The Creation" in the book Patriarchs & Prophets by Ellen G. White. Write or give an oral summary of what you have learned from studying this honor.

10. Visit one of the following: Zoo, Aquarium, State Park, Nursery or Gardens, and give your club director a report of the diversity & wonder of the things you saw of God's creation.

Creation Honor Answers

2.	First day	(Genesis 1:1-5)	Light, day night
	Second Day	(Genesis 1:6-8)	Firmament, sky & atmosphere
	Third Day	(Genesis 1:9-13)	Dray land, seas, & vegetation
	Fourth Day	(Genesis 1:14-19)	Sun, moon & stars
	Fifth Day	(Genesis 1:20-23)	Birds & fish
	Sixth Day	(Genesis 1:24-31)	Man & animals
	Seventh Day	(Genesis 2:1-3)	Sabbath

3. Genesis 2: 10:14

- a. Pishon
- b. Gihon
- c. Hiddekel
- d. Euphrates

4. Genesis Chapter 5

- a. Adam 930
- b. Seth 912
- c. Enosh 905
- d. Cainan 910
- e. Mahalalel 895
- f. Jared 962
- g. Enoch 365 (translated)
- h. Methuselah 969
- i. Lamech 777

Methuselah has been recognized as being the oldest living man. But in fact, Enoch is because he was translated to heaven without seeing death.

5. Genesis 3:14-24

- a. Death
- b. Sorrow in childbirth
- c. Cursed ground, thorns & thistles
- d. Both the serpent & animals where cursed & changed.
- e. Clothing was now needed because the glory of God no longer covered them.

Other examples may be found that are not in these texts.

6. Genesis 3:21 God! An animal was killed to make clothing. This was the first death resulting from sin. (Adam & Eve now needed clothing)
- Genesis 4 Cain's murder of Abel could also be used.

7. Snake: Titanoboa found in Columbia. It was 42 ft., & weighed 2500 pounds
Dragonfly: Wings span of 30 inches
Centipede: 5ft long 1 ft. wide
Prehistoric Rat: Was the size of a buffalo of today
Shark: Megalodon, over 60 ft., 14 ft. in diameter, size of a school bus or house trailer
Frog: 16 inches, 10 pounds, size of a beach ball
Penguin: 5 ft. tall
Sea Scorpion: 8.2 ft. with an 18 inches claw

There are many websites where you can find pictures & sizes of fossils. National Geographic website has several. Your local library should also have some good resources. Be cautious of your sources because there are many fakes & unproven claims.

8. Deuteronomy 3:11
Bed: 13-14 ft. long & was 6 ft. wide
