

Disability Awareness, Advanced

1. Have previously earned the Disability Awareness honor.
2. Spend a minimum of two hours simulating visual disability or a mobility disability which requires adaptive equipment (i.e.—wheelchair, crutches, walker, cane, etc.). Share your experience in a club group discussion.
3. Participate in at least one accessibility modification project within your church that accommodates a person with a disability.
4. Participate in one Disability Awareness program.
5. Present a short pantomime of a famous person who had/has a disability and let the group guess who he/she is.
6. Give an oral report sharing how your view of people with disabilities has changed since earning the Disabilities Awareness honor.
