

State Study

1. Make a scrapbook to include the following information. Use pictures, maps, or drawings to make it attractive.*
2. Name the state and the year it joined the union.
3. Draw or find a picture of the following:
 - a. State flower
 - b. State bird
 - c. State tree
 - d. State animal
 - e. State flag
4. Name the state song and motto.
5. Draw a map and show the capital, major cities, rivers, and lakes.
6. Name the national parks and three state parks.
7. Name at least two natural resources, major products, and industries, etc.
8. Name at least three interesting places to visit.
9. Name the Seventh-day Adventist conference president.
10. Name the city where the conference office is located.
11. How many of the following does the SDA denomination have in this state?
 - a. Churches
 - b. Schools
 - c. Hospitals
 - d. Members
 - e. Pathfinders
12. Does this state have an SDA college or university? If so, give name and location.
13. Give the month and year you collected this information.
14. Use pamphlets for parks and places to visit.

*The patch is design so that you can add one star to the flag for every state you study for the honor.

State: _____

Flower

Flag

Bird

Draw a map and show the capital, major cities, rivers, and lakes.

Tree

Animal

Aim: _____

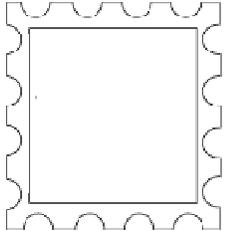

Song: _____

Interesting places: _____

State Postcard

Directions: Design a postcard for the state you are studying. Draw a picture to show some of the features of the state in the first box (the picture side). In the second box, write a little information about the picture you drew. Write your information in the form of an informal letter. Address your postcard. You can even design a special stamp!
