Local Church Budget

Summertime dangers. Mosquitoes, flies, poison ivy, ticks—these are some of the nuisances that we may have to cope with during the warmer months. More serious are the dangers associated with sunburn (or even skin cancer), drowning, and increased risk of automobile injury due to the crowded highways.

But we should be even more concerned with the spiritual dangers that abound in summertime. Summer is when many spend more time in leisure activities, and sometimes because of travel and vacations our normal schedules are interrupted. It is much easier to neglect our personal devotions and attendance at our home church.

This can have a lasting negative impact on some people. Any time the patterns of our lives are interrupted, for whatever reason, there is potential for profound spiritual change.

On the positive side, summer presents wonderful opportunities for sharing our faith. We can stock our cars with literature and leave tracts in strategic places (inside of motel Bibles, in restrooms, for example). We can make new friends for Jesus in parks and camping areas and tourist sites.

Faithful members mail in their tithes and offerings even when they are away, because they understand that their church's needs continue in their absence. Thank you for remembering the needs of your local church family even when you're away.
