## Noah & Balloon Animals Answers

1. Lamech, Methuselah, Enoch.
2. His grandfather was the oldest man who ever died (969 years). His great-grandfather was the oldest man who ever lived (he lived 300 years on earth and then walked into heaven with God).
3. Noah was a sinner like the rest of us, but he still led a life of faith. He followed the commands of the Lord through God's grace (or favor). Noah was a righteous man.
4. 500 years old.
5. 120 years. 300 (450 feet) cubits long by 50 (75 feet) cubits wide by 30 (45 feet) cubits high, and it was to be made out of gopher or cypress wood covered with pitch.
6. The earth had become so corrupt that God decided to destroy it and save only Noah and his family and some animals. He would use a flood of water to destroy the earth and Noah needed a boat to be saved in.
7. 600 years old. 15 cubits (more than 20 feet) above the highest mountain.
8. Two (male and female) of every animal and seven of the clean animals. In addition God asked him to keep seven of every bird.
9. One year and 17 days.
10. A rainbow was a sign of the covenant God made with Noah to never destroy the whole earth with a flood of waters.
11. 950 years.
12. The Bible says that all the high mountains everywhere were covered.
13. By reading the assigned reading, the answers to the above questions will be answered and you will gain an understanding of who Noah was and why God decided to destroy the world.
14. Noah had sent out a raven and a dove to see what they would do and sent out the dove a second time. Also, God told him that it was time to leave the ark and He opened the door for them.
15. God shut the door of the ark and He will shut the door of mercy at the end of the world.
16. Make the balloon animals. Clean went in by sevens, unclean by twos. Birds went in by sevens. See Lev. 11 for listing of clean and unclean animals.
