

# ANTS

1. Study and learn the anatomy of the ant.
  - A. Talk about the different body parts of an ant: head, body, legs. Have the Adventurers compare their body to an ant. What is the same? What is different?
  
2. Discuss the Ant Life Cycle.
  - A. The life cycle of the ant consists of four stages: egg, larva, pupa, and adult. Great information can be found at [www.enchantedlearning.com](http://www.enchantedlearning.com)
  
3. Watch ants in action.
  - A. The safest way is watching an "a farm". These can be found at science stores and Wal-Mart, Target, etc. or make one - [www.familycrafts.about.com/od/antcrafts/Ant\\_Craft\\_Projects.htm](http://www.familycrafts.about.com/od/antcrafts/Ant_Craft_Projects.htm)
  
4. Discuss and memorize Proverbs 6:6
  
5. Make a craft about ants.
  
6. Read a book, watch a movie or play a game about ants.
  - A. Scholastic Videos has an Ant program; "Ants in Your Pants" game is available at most stores, also ideas at [www.familycrafts.about.com/od/antcrafts/Ant\\_Craft\\_Projects.htm](http://www.familycrafts.about.com/od/antcrafts/Ant_Craft_Projects.htm)
  
7. Know what you should do If you are bitten by an ant.
