

## CAGED PETS

1. Care for a caged pet for at least three months.
2. What kinds of food does your pet eat?
3. Where does your pet sleep?
4. What is your pet's name.
5. Share your pet at a club meeting and tell a story about your pet and why it is special to you.
6. Draw a picture of your pet and write it's name.
7. Who created your pet? What day was it created on?

### HELPS:

1. A caged pet could be a hamster, mouse, guinea pig, bird, lizard, rabbit, turtle, etc.
2. As a group, learn what foods different pets eat.
3. Have the children draw a picture of their pet's bed.
4. Discuss how God knows your name and your pet, also. Read and talk about God's care for you (Psalm 139, Luke 12:7, Matthew 10:30)
5. Give each child a chance to talk about their pet. Some children may need to be timed. You may wish to have four or five children each evening until all have had a turn.
6. Help the children spell their pet's name and encourage them to draw their pet sitting, running, etc.
7. God created all. Genesis 1:24-25
