

# CARPENTRY FUN

1. Name five carpentry tools.
2. Name five fasteners to hold wood together.
3. Build an open box to keep your tools in.  
It must be at least 12" square and no more than 24" square.
4. Display the box with tools at parent night, closing night or FunDay.
5. Tell what you keep in your box to the Adventure Club or to a friend.

**HELPS:**

1. Hammer, saw, ruler, level, and pencil.

2. Glue, nails, staples, screws, and dowels.
