

CHENILLE AND POM-POM CRAFT

1. What material is the Chenille (pipe cleaner) stem?
2. How do you cut the stem?
3. How do you put chenille craft together?
4. What materials are used?
5. What tools are used?
6. Make a “chain” with 2 to 3 colors, by twisting only.
7. Make a nature object (animal, flower, bird, etc.) out of chenille.
8. Make an animal of mostly pom poms.
9. Make a star, snowflake or own design.
10. Make a chenille “picture” on a surface like paper plates.

HELPS:

Materials are available at craft stores.

4. Assorted chenille stems, pom poms (suitable size, wiggle eyes, scrap felt or cloth.)
5. Wire cutters, pliers, old scissors, glue (white thick).
