

FLOWER FUN

1. Grow 3 flowers, such as Marigolds or Zinnias from seed through maturity.
2. Make a scrapbook and draw what the above looked like at different stages of its growth. Be sure to include a seed.
3. Draw or collect pictures of 5 common garden flowers for your scrapbook.
4. Share with someone other than your family a bouquet of flowers you have grown.
5. What 5 things are needed to grow a flower?
6. In your scrapbook, write a story about growing or sharing your flower.
