  - b. Know the colors of the flag
  - c. Draw the shape of the country
  - d. Is the country large or small in size?
  - e. Population of the country. How many SDA's and churches in the country?
  - f. What language(s) is spoken there?
2. Make a craft and/or help prepare a favorite food from that country.
3. Play a game from that country.
4. Become a pen pal with someone from that country.

For an extra activity, learn the Adventurer Pledge in the language of the country.

### HELPS:

1.e. You can receive the information about SDA's and churches from the SDA Year Book which your church should have. If not, contact the conference office.

4. To acquire names, you can write to a mission office listed in the Year Book and they will let you know to who you can write. If you have a problem with this, contact the conference office.

For other resources books, go to a school supply school book stores, or library and find information about your country.
