

## KEY CHAINS

1. Why were key chains first used?
2. When were key chains first used?
3. Collect ten key chains.
4. Have a leather key chain in your collection.
5. Have different shapes in your collection.
6. Collect at least two key chains with company names on them.
7. Tell your class which key chain is your favorite and why.
8. If you have old key chains that belonged to grand parents, or other older friends, tell where you obtained them.
9. Display your key chains in a creative way and share in an Adventurer club meeting.

### HELPS:

1. Key chains were used to keep all your keys together and so they would not be lost.
- 2.
7. Give opportunity for each child to share and tell their story. You may set a 3 minute timer, if needed.
9. Help the Adventurers to make a creative display and share with the club at a parent's night or youth fair.
