

KITE FUN

1. Explain the safety rules for kite flying.
2. Make and fly 2 different kinds of kites.
3. Make and use a reel for kite string.
4. Make a repair kit for when you are out flying kites. Include scissors, cellophane tape, extra paper for streamers or tail, and extra flying line.
5. Make a kite messenger and practice letting it go up the line. Have a kite messenger race with some one else.
6. Make something (besides a kite) that flies: hang glider, helicopter wing, catapult glider.

OR

Participate in a kite derby.
