

PLASTIC MODEL BUILDING FUN

1. Build a model (car, truck, airplane, or ship) using skill level one (snap together) or skill level two (glue).
2. Paint your model with testors unleaded paints following directions in package.
3. Display your model at a Parent Night or Adventurer FunDay.
4. Tell your club:
 - A. Why you chose your model.
 - B. How you built it.
 - C. What model you will build next.
5. Buy a similar model and give one to a needy boy or girl.
