

SOAP FUN

1. What is soap?
2. When was soap first made?
3. Listen to a story of soap making.
4. Collect 10 different small "hotel/motel" type soaps.
5. Tell your Adventurer club where your soaps came from.
6. Collect six different shapes in small soaps.
7. Collect five different colored soaps.
8. Store your soaps together, neatly and safely.
9. Display your soaps at a club meeting or youth fair.

HELPS:

1. A cleansing agent.
2. Soap was first made in
3. Read or tell a story of early American soap making. Your group may even tour a soap factory.
5. Your soaps may have come from a local motel or hotel your grandparents have stayed in, etc.
6. Small soaps come in many different shapes, need not be costly or new, may be collected from family and friends.
7. Encourage variety in color and shapes.
8. When storing unwrapped soaps, wrap gently in tissue and place in a box or tin.
9. Display your collection neatly showing creativity.
