

STATE QUARTERS

1. What is the 50 State Quarters Program?
2. What President signed the Act that allowed the 50 State Quarter Program?
3. Will the coins be issued in any type of sequence?
4. When was the first State Quarter released - and what state was it?
5. What will be the last State Quarter to be released?
6. What date was (is) your State Quarter (being) released?
7. Read a story about coins in the Bible.
8. Collect at least five (5) State Quarters - including your state (if released) and at least one from the current year.

HELPS:

1. It's a program that honors the individual 50 states that comprise the United States through a new series of circulating quarters being issued over the ten (10) years starting in 1999.
2. President Clinton signed the 50 States Commemorative Coin Program Act (Public law 105-124) into law on December 1, 1997.
3. States will be honored with a reverse quarter design in which such States ratified the Constitution of the United States or were admitted into the union.
4. January 4, 1999 - Delaware
5. Hawaii - scheduled for sometime in 2008
6. Answers will vary - all release dates can be found at www.usmint.gov/mint_programs (Florida - March 29, 2004)
7. Example: Luke 15:8-10
