“Children may be trained for the service of sin, or for the service of righteousness. Solomon says,” EGW RH 05-10-98

What is the LAMB Program?

The **LAMB Program** is a division of **Florida Prison Ministries**. It was specifically created to minister to babies born behind prison walls and provide them with opportunities from their mothers. We will do our best to help with both the physical and spiritual needs of the mother, child, and caretaker. If the caretaker is receptive to the program, we will provide birthday gifts, Christmas presents, and Bible based materials all given in the mother's name. The caretaker can read this age-appropriate literature to the children right from birth, instilling an early love of Biblical lessons and principles.

Early Childhood Is the Most Important Period

Too much importance cannot be placed on the early training of children. **The lessons that the child learns during the first seven years of life have more to do with forming his character than all that it learns in future years.** EGW CG-36

Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. Matt. 10:14 NIV

At this critical time in both of your lives, it is our desire to help you and your baby. The Bible promises in **Proverb 22:5 KJV**, **“Train up a child in the way he should go: and when he is old, he will not depart from it.”** As a supporter of you and your child, this is the promise we will claim. God will guide each parent who strives to train their child in the right way—God's way. We desire to help you reach this goal. Of course, THIS IS YOUR CHOICE.
