

WOOD CRAFT

1. Name 5 kinds of wood and their uses?
2. Point out 3 trees and uses of the wood?
3. Show 3 different wood samples, nails and screws.(3 each)
4. Name 10 things made of wood.
5. How do you fasten wood together? Name 3 ways.
6. What tools are used in woodworking? Name 6 or more.
7. Make 3 things of scrap wood:
 - a. a toy (train, boat, car, etc.)
 - b. an animal (dog, cat, bunny, etc.)
 - c. a model (house or notebook cover)
8. Paint a “wood cut” of your choice (bell, hear, animal, etc.)
9. Take a trip to a woodworking shop or a store, where similar items are sold. (Example - Home Depot)
10. Tell a story about your trip.
What did you like most?

Helps:

8. Wood “cut outs” are sold at arts and crafts supply stores.
