

I have created a Step by Step instructional video and word document to help you with the Red Zone housing registration. Please see the attached document and Click the link below to view the instructional video.

*Please watch the step by step housing reservation instructional video ***before*** registration opens on March 27th @1:00pm* This video shows you exactly what you will see and experience during the registration for housing.

Step by Step housing reservation instructional video: [Click here](#)

Please note this is the same video used in 2023 & 2024, the registration process is the same (just a few housing adjustments with the added Villas).
