

## FLC – Area Camporee Theme Song – 2025

### **Verse 1**

For God so loved the world,  
He gave his only Son,  
That when you to choose to believe in him  
You have eternal life.  
[tag] You have eternal life.

### **Verse 2**

It's Love that came to save us  
It's Love that lives to serve  
It's Love that endures every circumstance  
This Love, it lives in us  
[tag] This Love, it lives in us

### **Chorus**

I know what I'll do, I'll depend on You  
To let this light shine, I'll remain in the vine,  
Of your great love.  
There's no better time than right now, to tell the world who You are.  
So, since your coming is soon, I will share of your News, with a world that You love.

### **Verse 3**

Regardless of the pushback  
Or lack of experience  
That didn't stop you from using whom  
You called to make a way  
Oh, I'm called to make a way!

**Bridge**

We love because You first loved us

We love because You first loved us

We love because You first loved us

And since I'm your child, I will go tell the world!

**Chorus**

I know what I'll do, I'll depend on You

To let this light shine, I'll remain in the vine,

Of your great love.

There's no better time than right now, to tell the world who You are.

So, since your coming is soon, I will share of your News, with a world that You love
