

2026 Pathfinder Community Service Ideas

Community service can take many forms and offers a way to give back to the community while helping others. Here are some examples of community service ideas for students.

- Volunteering at a food bank or soup kitchen to prepare and distribute meals to those in need is a common way to serve.
- Working at an animal shelter by walking dogs, cleaning cages, or helping with adoptions is another excellent option for those who love animals.
- Participating in tutoring programs to help younger children with their homework or reading skills.
- Community clean-up projects, such as picking up litter in parks, planting trees, or beautifying public spaces.
- Assisting at a local nursing home by spending time with elderly residents and organizing activities.

2026 January:

- **Food Banks:** Sort and distribute food at local food pantries.
- **Recycling Drives:** Collect recyclable items like cans, paper, or electronics.
- **Nursing Homes:** Spend time talking to residents or helping with activities.

February:

- **Park Cleanups:** Organize or join a local park or beach cleanup.
- **Tree Planting:** Participate in reforestation efforts or plant trees in your neighborhood.
- **Gardening:** Help maintain a community garden or start one.
