Hello Club Directors,

Please review the following **important information regarding registration for Red Zone 2026**. To ensure a smooth and fast registration experience, **all clubs are strongly encouraged to complete the steps below prior to registration opening**.

STEP 1: Create a Camp Kulaqua Account
Create an account for your **Club** at the following link:
https://www.ultracamp.com/clientlogin.aspx?idCamp=9

- Select **NEW USER**
- Under **Account Type**, choose **Corporate/Group**
  ⚠ This is required so the account is listed under your club/church name.

Step 2: Assign a Primary Contact
Each account must have one Primary Contact**.**

This person:

- **Is the** only one authorized **to make changes to the reservation**
- **Will** check in onsite **and pick up the club packet (housing keys & meal tickets)**
- **Must provide accurate phone and email information**

Step 3: Add a Payment Method
After creating the account:

- Add a **church or personal credit card** under Payment Methods
- Housing fills quickly — having a card on file makes checkout **fast and easy**

☞ To ensure your registration process is **EASY AND FAST**, please complete all three steps ahead of time.

EXISTING ACCOUNTS
If you believe you may already have an account from previous years:

- Log in using this link: https://www.ultracamp.com/clientlogin.aspx?idCamp=9
- If the system does **not** recognize your login information, you do **not** have an account and should follow Steps 1–3 above.
- If you are still unsure, please contact us and we are happy to triple-check for you.
